

Red headed Beetle

Tied by Andrew Cathers

Red headed Beetle:

- Hook: mustad #8 3906
- Head: red bead to fit hook
- Thread: black pre waxed #8/0
- Body: mini stick black craft glue
And black lacquer to coat
- Shellback: miniature sparkle braid (peacock)
- Legs: med black span flex
- black Rooster hackle

Fly Tying Instructions

1. Place the bead behind the hook eye.
2. Build the body with the black mini low temp glue.
3. Coat the body with black lacquer.
4. Tie on the thread.
5. Tie on mini sparkle braid.
6. Tie on the rubber span flex legs.
7. Tie on the black rooster feather and wrap three or four times.
8. Pull the sparkle braid over the top to form a shell back.
9. Double whip finish!
