BCFFF UPDATE

April 2017

bcfff.bc.ca Promoting Quality Angling Opportunities and Conservation

As Spring is finally in full swing, it is great to hear the birds chirping while preparing to go fishing. This past month has given Rich and BCFFF the opportunity to visit a number of BCFFF member fly fishing clubs, while still hoping to meet with all. It is great to meet old friends and make new connections while promoting conservation and quality angling opportunities. Memories and highlights include the chironomid presentation at the always fun Comox club, a captivating HaigBrown inspired Campbell River fishery update by Neil Cameron at the 40th anniversary of the HBFFA Victoria club, a great social with the Totem friends, the water awareness presentation at our largest club the Castaways, the reorganizing of the Cowichan FF finances, and the reunion with Island Waters. It is great to touch base with all of you and hope to see you at our BCFFF agm May 5,6.

Rod demo day at Cumberland Lake parkcampground, located at the end of Comox Lake road- sponsored by the Cumberland Fly Shop* April 29, 10am-2 *. Some great local casters will do demos as well as Willie Holmes –an internationally certified casting instructor (and very entertaining Irishman) Money raised will go to the BCFFF and Tsolum River Restoration Society.* Raffles and Prizes and demo rods*
