

Thank you Jack

Special Thank You Jack for putting on a very successful “Fly Tying Saturday at Oliver Woods Community Centre again this year and thanks to Chef Harold for making it unique. It is hard to believe that yesterday marks the last fly tie for this year, it is scary how time is flying by....but summer cometh! Hope you all have the flies you need for the summer and fall all nicely tied and put in a safe?? place. Yikes! If you haven't....see below for last chance.

As this is the last of the season for our northern neighbours some of us will be meeting at 8 a.m. this coming Friday at the Woodgrove Save-on to car pool to Royston. You can bring a bagged lunch or as many of us do, go to the pub just down the road for lunch .

Hope to see you there.

Cheers
