

Christmas Dinner and Auction

Directors and Committee Heads (from the Left): Don Ginter, Library; Bill McColl, Treasurer; Wayne Pealo, Entertainment; Rick Wanhill, Membership; Ron Busche, Secretary; Jack Toomer, Past President; Bernie Heinrichs, Communications; Harry McLeod, Conservation; Ron Moll, President; Steve Wawrykow, Web Master; Ron Schiefke, Programs.

Awards

A jubilant, Bob Kissinger, “graciously” accepts his Member of the Year Award from Ron Moll for his great job on the Entertainment Committee and as Director. This is his second year for the award. He organized three events, built and organized the delivery of a mode of comfort for the Eve River—all for both years. Bob was also there for most of the other events and helped other directors with their work. Thank you, Bob.

Bernie Heinrichs accept the Member of the Decade Award and he will proudly display it in a prominent place. His surprise and gratitude were not expressed as much as he wanted to do.

More Awards

Wayne Pealo, right, accepts the Bill Brown Literary Award for his article in the May, 2010, issue of the newsletter titled "In Search of Wild Coho and Steelhead. A Fly Fishers Nirvana". His name is now on the plaque for two years consecutively.

Steve Wawrykow won the Photo of the Year which is displayed in the framed picture. This was shot enroute to Horse Lake last October for a club fishing event to the Interior. He successfully captured the spectacular fall colours of the area.

Winners

Marian Schiefke was the winner of the fly rod raffle this year and she promised to put it to good use. That does not mean giving it to your husband!

The Schiefkes were indeed twice lucky! Ron won a door prize which is a pair of the original float tube fins. He also reassured us that they would be personally tested then used extensively. Harold Tinling is about to show him the finer points of their operation.

One More Winner

Ray Honig collects his door prize from Bob Kissinger— a package of fishing tips. This helped to offset his sudden purchase of a \$10.00 fishing tackle box. His bid was accepted immediately which dashed Ray's hope of starting a bidding process.
