

Well chum fest for this year has come and gone. It was a great turn out with 18 club members, even though this year was the lowest river level we've experienced since chum fest started and the fishing

***Jack with repaired heart valve and new hip is looking Great !!***

reflected those poor water conditions as fresh fish decided to wait for higher water.

***Rick looking for Chrome***

***Where's the water Dude???***

Two weeks ago there were three to four times the number of fresh fish and just last week Ton observed a bunch of fresh ones entering the river. With the rain this weekend there are probably bunches more fresh chum [and coho] arriving. All in all, fishing for skunks and pub lunch with friends...or v.v.....can't get much better than that.

***Tyee getting hauled downstream, yelling "SKUNK ON"***

Cheers, Basher  
(with a little help from my friend the web guy)
