

Basher Kids and Crayfish DB Creek Smolt Trap

From: Bob Kissinger [basherbob@outlook.com]

Date: Fri 2016-05-13@1:09pm

This past Wednesday we had about a dozen elementary students and two teachers when we checked the smolt trap on Departure Bay creek. As a result of our interaction with the students we got a nice "Thank you" from Jean Michel.

Thanks to you and your crew for the work this morning, it was great to see the interest and interaction between the IWFF and the Departure Bay Eco School students.

Attached is a photo of you in action interacting with the students and the crayfish.

Thank the salmon gods that a coho was in the trap to show the students!

Cheers,

Jean-Michel
