A small group of IWFF fishers are doing an alternate June trip. We will be travelling to the Chilcotin west of Williams Lake. Bruce Murray, Glen Rodgers, Harry McLeod and Ian Stewart will be joining Wayne Stewart at Fletcher Lake west of Williams Lake as the starting point for the exploration of a couple areas in the Chilcotin area. We have not set our agenda totally yet other than we are going to be leaving Nanaimo on the early Duke Point ferry on or about June 13 and returning on or about June 25.

There will be one travel trailer and a group of small vans and vehicles going. (Wayne Stewart will be bringing the travel trailer over from Creston.)

There are many lakes that we can explore, although the consensus is to limit ourselves to two areas (Nemaiah Valley possibly and the area near Sapeye Lake). We do not plan to go into any remote lakes which require 4WD vehicles.

Anybody interested in joining us on our fish quest should contact Bruce Murray or Ian Stewart and you will be added to our email group.
