

## DEPARTURE BAY CREEK SMOLT TRAP UPDATE

**From:** Bob Kissinger [basherbob@outlook.com]

**Received:** Thu 2016-04-28@8:38pm

As you know 7 club members are participating in the Departure Bay Creek coho smolt count. Last week , 20<sup>th</sup> April , we caught 3 coho smolts, three crayfish and 1 sculpin.

This week, 27<sup>th</sup> April, our count was one coho smolt and one crayfish with eggs.

The smolt count should continue until about mid June.

So far I think our group is the “top rod”

Cheers, Basher
