Last reminder for Kissinger lake campout on the 15th., 16th. and 17th. of April. And last chance to have a steak ordered for you if you haven't already put in your order. Some of us will be going up to Kissinger lake on Thursday and for those who would like to travel as a group, we can meet at the Co-op gas station at 12 noon. There is a trailer, r.v./ station there and you can get water there, and also dump out there after the weekend.

CAMPFIRE WOOD- Could everyone who has firewood bring an armful for the community campfire we usually have at Kissinger? Or, just bring as much firewood as you can manage to carry. We like to keep the fire going for the whole weekend if possible.

Any questions or further requests for steaks, please call me or email me by Wednesday morning at the latest.
