Norm,

I did the tour on Monday; starting at Salmon point – Kuhushan point – Pacific Playgrounds – the deer farm – Nada. End of Carthew Street in Comox – Zippo. The wrecks at Royston – Nothing. Deep Bay – Zero. Hansen Road near Nile Creek – Bingo! A small group of very happy fish rolling, tailing and jumping. Three guys already had them well covered and I saw one hooked and beached. Those pinks stayed in that one little area and gave no opportunity for anyone else to join in the fun. Crowding in would have been an asshole move for sure, so I left.
