Hello PSF Staff and Board,

We are excited to announce that our campaign to raise funds for salmon education programs supported by the Community Salmon Program is now live! Donations and purchases of t-shirts, prints and other items can be made here: <https://fundrazr.com/SalmonClassrooms>.

Our goal is to raise \$10,000 in one month. We would be very appreciative if you would consider helping us by:

- 1). Forwarding this email announcing the campaign to as many friends, colleagues and associates as you can think of
- 2). Send me any contacts you have with associations and clubs that might be interested in getting involved.
- 3). Purchase t-shirts, buttons and prints for yourself, family and friends.

Many thanks,

Elayne
