

Spey Casting Clinic Nov 13 Report

From: Jason Perry [perry.jason111@gmail.com]

Last Sunday in the blustery wind and rain and smell of decaying moldy Chums, 8 fearless

IWFF'rs marched to the shores of the Englishman River to tone their Spey Casting Skills with

instructions from Keith Hyett (Coast Sport Fish Fly Shop) and assistance from our own Dennis Mullins. Early on the sun broke out and it was a good time shared by all....including the cameraguy....That ain't coffee in the thermos John is holding.
