Hi Norm

Could you please pass this on to the membership. I am interested in selling my 8ft. Walker Bay.

Unfortunately at my new digs in Cumberland I do not have space to store the boat where it is readily available for fishing trips.

Details:

Standard 8ft Walker Bay

Refurbished Oars

Two 14 inch pneumatic wheels at rear transom for moving.

They flip up or down and are easily removed. (pins)

Yellow float ring attached

Two rod holder brackets

Swivel padded seat

Asking \$800.00

What I am now looking for is a comparable light weight inflatable fishing dinghy with motor mount. Any information on this type of boat would be appreciated.
