

“BUG OUT”

From: Bruce Murray [drbm@shaw.ca]

See what happens when you go to Pub Lunch....someone suggests we all go to Deadwood Creek to collect some bugs to bring to Fly Tie Saturday....then someone else says, “I can take 5 in my truck” and we were off like a cloud of snow or dust or bunch of school kids or whatever....

And when Erica Blake (DFO Community Adviser) saw these pictures, she went out and got us some real sampling equipment. Thank you Erica!!!!
