

# Chemainus River Estuary Walkabout

**Bob Kissinger** [basherbob@outlook.com]

Met up with Bill C. at the South Gate mall at noon today, 29<sup>th</sup> April and waited til quarter after but no one else showed so off we went. It was a lovely walk in with everything smelling so fresh and spring like.

The river has changed since the last time I was in, about 3 years ago. It has cut one new side channel, widened and deepened another, and built up and greatly enlarged a sand bar.

Don't know how these changes will affect the fishing although the enlarged sand bar will extend your fishable waters.

Lovely day, NO rain until we dropped into Teddy's Tackle.

Almost forgot to mention that we just had to stop at the Ladysmith Bakery for a coffee and one of the rather huge cinnamon buns.

Cheers  
Basher

p.s. We also found some nice jaspers for the rock tumbler.
