

# Documentary about Fly Fishing in Patagonia

**From: Ton Plynaar** [ton.flyfisher@gmail.com]

Hi Bruce,

Check this out <http://patagonian-basecamp.com/documentary>

Marcel is an old friend, we where both members of the same Dutch fly fishing club. He left the Netherlands about 20 years ago to fulfill his dreams, think he succeeded ;)

If you think it's interesting enough don't hesitate to post the link on our website.

Cheers,

Ton
