

## Englishman River Cast out, March 31

Dennis' call for a cast out on the Englishman River was answered by Ron Busche, Don Ginter, Gord Sharrock, Castaway Wayne Vivic and moi. It was a dry day with slight qualicum winds excellent for honing casting skills.

Rods, reels and instructions were supplied by Dennis. We are all better casters now with instructions how to master the double Spey, Circle C, Snap T and Snake Roll, reverse Snake Roll spey casts.
