

Puntledge River Chums Oct 27th

Bob Kissinger [basherbob@outlook.com]

After a morning tying with Norm and the other fellows of the Comox Fly fishing club Ton and I went to the Puntledge to check out the stories of a fresh run of chums.

We arrived at the river at about 1 p.m. and fished for the next 3 hours. There were LOTS of fish in the river but neither Ton nor I got any "chromers". We did see a few bright fish being taken and in chatting to some of the other fishers we confirmed that a large run of bright fish came in on Tuesday and Wednesday but probably head further up river.

I managed to beach 5 with 3 of them being fair hooked. Ton got about the same.

It was a gorgeous afternoon and it was so warm that I fished in just my shirt for most of the time.

Cheers
