## **Westwood Lake Casting Clinic**

## **DENNIS MULLINS [jd.mullins@shaw.ca]**

Please note there will be a single handed casting clinic at Westwood Lake on **Wednesday May 24, 2017 at 6 p.m.** The more experienced casters in the club will be helping the beginners and intermediates to become world class champions. Please be sure to wear eye protection (glasses, sun glasses, goggles, helmets etc). People like Don, Ron S., Paul, Jerry, Ian, Andrew, Dennis, Jim M. and others could be your esteemed instructors. This should be a fun and informal casting practice session.

Those interested could drown their sorrows afterwards and heal their sore muscles at the Jingle Pot if necessary. Everybody welcome and bring friends as well if you can.

Any questions or concerns call or email Dennis Thank you,

Dennis
