Hi Folks...I spent the last two days of the Easter weekend at Kissinger. Good weather, reasonable fishing and rough muddy road going in! Campground full on Easter weekend. \$10/night for camping. Some new docks in water and 1000 catchables in lake in early March. Successful flies included Pumpkinhead #10; Ruby Red leech #8; Tequila Sunrise Booby # 10. Full sink line worked best. Should be good by mid April.
