

## **Maple Lake fishing report Dec 10<sup>th</sup>**

Hi All,

Sunday, Mike T and I went to Maple Lake. The conditions were ideal, warm, sunny and no wind whatsoever. Mike got numerous hits with no hook ups and 6 to the boat. I got three hits while paddling my canoe to anchor over the small island we see in the summer months when the water was low. I tried multiple flies with no luck and finally settled on Don Freschi's Bulldog. It caught me three nice rainbows. All the fish were about 12" to 13"

A very nice day indeed,

Norm
